### Allotment of denatured Spirit in Belgaum

99. SRI B. B. SAYANAK (Belgaum) :—

Will the Minister for Excise and Labour be pleased to state :—

(a) whether it is a fact that the Belgaum District Spirit Supply and Spirituous Preparation Dealers Association had submitted representation to Government on 22nd June 1974 and 4th September 1974 ;

(b) if so, the action taken thereon ;

(c) whether it is a fact that the quota of denatured spirit under D. L. 6 Licences of Sri N. K. Saith and Sri S. H. Mandagi was 1305 and 356 litres respectively in the year 1972-73, and 2000 and 3355 litres respectively in year 1973-74,

(d) whether it is a fact that the quota of denatured spirit under DL-3 Licences of M/s. Khinjibhai Raoji and M/s. Mandagi Brothers, ESSO Dealers, Belgaum was cancelled and transferred to DL. 6 licences of Sri N. K. Saith and Sri S. H. Mandagi in the year 1973-74?

SRI S. M. YAHYA (Minister for Excise and Labour):

(a) Yes.

(b) The Commissioner of Excise has examined all the connected records pertaining to the allotment of denatured spirit to the various licences in Belgaum District. It is a fact that there has been some enhancement of the quota of denatured spirit to two licences but they were duly sanctioned considering the bonafides and the needs of the licences. Government are satisfied that the Deputy Commissioner has taken these decisions after applying his mind to each of these cases and there has been no irregularity as made out in the representations.

(c) Yes.

(d) No.

SRI B. B. SAYANAK :—May I know from the Government whether Mr. S. H. Mundgi and Mr. N.H. Sait have got their quota of denature spirit increased in 1973-74 by 3,000 litres and 700 litres respectively when they have not applied for the enhancement quota, and if so, what are the reasons for this increase ?

SRI S. M. YAHYA :—As the Hon. Member knows the discretion is that of the Deputy Commissioner to allot the denature spirit and accordingly in two cases in 1973-74 he has enhanced it and as we find he has used his discretion properly.

SRI B. B. SAYANAK :—Has it come to the notice of the Government that the quota of denature spirit is reduced by fifty per cent in respect of 15 persons as against the increase of quota in respect of two persons ?

SRI S. M. YAHYA :—Either increase or decrease should be according to the requirements and needs. The High Court has also held that no individual can claim the quota

as such. It depends upon various factors and needs of the individuals.

SRI B. B. SAYANAK.—May I know whether after the representation was made by this association requesting the Government to give this quota of denature spirit equally has it been considered by Government?

SRI S. M. YAHYA.—The representation was made after one year, on 22nd June 1974 in respect of the allotment of 1973-74. The complete discretion in this matter is of the Deputy Commissioner and the aggrieved party, according to law, could prefer an appeal.
